SWAP MEET OVERSELL VENDOR REGISTRATION

- You are **eighteen (18)** years of age or older and have read and understand the Basic Information section above and the remaining Terms and Conditions below.
- **Purpose of Swap Meet:** The Swap Meet is intended for the sale of used, pre-purchased items personally owned by the vendors or their friends and family. It is not a discount alternative for the Exhibit Hall or Artists Market. At least 80% of what is sold at your table must have been personally owned and not made by you or held as business inventory. The sale of secondhand art commissions or previously used cosplay items is acceptable. All products brought into the Swap Meet will be inspected, and all items that are in violation of these rules will not be permitted into the Swap Meet.
- The seller is required to have an UNPRIVILEGED membership (i.e., not Industry or Press) to PMX.
- **Reseller's Permit:** You are responsible for your own Reseller's permit arrangements with the State of California, if necessary. (See the FAQ item about permits for more information.)
- **Weapons:** The sale or trade of weapons or dangerous materials such as fireworks or flammables is prohibited.
Replica weapons must be inspected by PMX Swap Meet staff or PMX Security staff and peace bonded.
- **Bootleg / Counterfeit goods:** The sale or trade of unlicensed, bootleg, or counterfeit goods is not allowed (e.g., SM, Ever Anime, Aliors, Elfin, fansubs). If the item is on a burned CD or DVD, it is considered a bootleg. However, the sale and trade of doujin goods (comics, shitajiki, cards, or stationary) is allowed. In general, any item that is an infringement of copyright law is prohibited.
- **Adult Material:** Please note that PMX is a family-friendly event and the display of goods must be suitable for a general audience (i.e., Grated). Adult material is permissible if stored behind your table (signage indicating that you have it available is fine) and only shown to buyers whose age you (the seller) have verified. The sale, trade, or showing of adult materials to anyone under eighteen (18) years old is a crime, and if you are caught selling or showing adult material to a minor, you will be evicted from the event and turned over to the authorities.
- **Table Amenities:** Each half table space will be provisioned with one (1) chair. A maximum of two people may be in a vendor's space, whether it is half or full. You may not bring your own tables (chairs are okay) to the swap meet. No electricity or Internet is provided, but trash cans will be. Please keep your area clean and throw away your own trash.
- **Table Assignments:** The location of your space is not preassigned and will be decided first-comefirstserve during setup each day. PMX reserves the right to move any half space vendor without a tablemate in order to free up full tables if necessary.
- **Setup and Teardown:** Vendors may access the room thirty (30) minutes before and after the main selling hours. You may use a handtruck or cart to move your materials. At the close of the Swap Meet each day, all vendors must clear out their belongings. No storage of items will be allowed as the room is used for another function outside the Swap Meet hours.
- **Payments and Warranties:** Both currency payment and bartering of items is permitted and is up to the discretion of the participants in the transaction. PMX, its staff, and/or the hotel are not legally responsible for the product's condition or stated condition. All transactions are between the seller and buyer. Sellers have the right to refuse a sale or barter with anyone.

- **Disputes and Enforcement:** Any questions regarding the implementation or interpretation of the PMX Swap Meet policies are subject to the final discretion of the PMX Swap Meet staff. Any instructions given by the PMX Swap Meet staff to enforce these rules, the rules or policies of the hotel, and any applicable law must be followed immediately. PMX reserves the right to refuse access to anyone and to revoke PMX Member badges if necessary.
